Dear Senator Miller and Representative Pocan:

Under 2005 Act 414, a GPR annual appropriation was created to pay for worker's compensation and liability costs resulting from actions of off-duty peace officers operating out of their normal jurisdiction. Under 2007 Act 20, the appropriation under s. 20.505 (2) (am) was converted to sum-sufficient. In addition, s. 175.40 (6m) [4] was created requiring that "By no later than 30 days after the end of each calendar quarter, the department of administration shall submit a report to the joint committee on finance detailing all moneys expended or encumbered from the appropriation account under s. 20.505 (2) (am) during that calendar quarter for costs and judgments under subd. 1., or 2."

On behalf of Governor Doyle, no payments or encumbrances have been made from funds under s. 20.505 (2) (am) during the third calendar quarter of 2010. In addition, no notice of claim has been filed under this section since the inception of the program.

If you have any questions, please contact me at 267-2715.

Sincerely,

Georgia Thompson  
Assistant to the Administrator
